

SEWING UNDER THE STAR

Beginner Sewing Class April 29, 2017

Do you want to learn to sew? Renew an old hobby?

Join us for a morning of simple sewing basics. Taught by an experienced sewist from the American Sewing Guild (ASG) Chapter here in Roanoke, you'll learn the basics, sewing straight seams and edges to make a simple, but pretty, pillowcase.

The event is sponsored by the Roanoke Chapter of ASG. Fees are only \$60. What a bargain! This includes the use of beautiful sewing machines, all the fabrics and materials you will need, three hours of expert instruction *and* one-year membership in ASG. Without ASG membership, the fee is \$35.

Class size is limited, so sign up early!

Local sewing machine dealer, Alpine Sewing Machine Company, will graciously provide the classroom space and high quality sewing machines for the event. All you need to bring is your interest and enthusiasm!
