

WANT TO LEARN TO SEW ? RENEW AN OLD HOBBY?

Please join us to be taught by experienced sewists of the American Sewing Guild (ASG) Chapter here in Roanoke. We will learn a few basics while sewing straight seams, including French seams, and end up with a pair of beautiful pillowcases!

This is an amazing bargain at only \$60, which includes membership in the American Sewing Guild, or for an alternative, \$35 without membership. The fee includes all materials needed plus use of a sewing machine provided by Alpine Sewing Machine Company.

Classes is scheduled for Thursday, August 16, 2018 at Alpine Sewing Machine Co. on Brambelton Ave.
